The image shows the packaging for Jeunesse Reserve. It includes a large purple box with the word 'RESERVE' in white capital letters and the Jeunesse logo at the bottom. In front of the box are several white sachets. One sachet is clearly visible, showing the text: 'RESERVE™ A DELICIOUS ETARY SUPPLEMENT THAT CONTAINS RESVERATROL, POMEGRANATE, GRAPE JUICE, GRAPESEED,'. Another sachet partially shows 'antioxidant fruit blend'. The sachets are labeled '3 SACHETS' and 'GEL PACKETS'. The Jeunesse logo is also visible on the sachets.

jeunessereservesg Reserve can help your loved ones in:
Heart disease: Resveratrol helps reduce inflammation, prevents the oxidation of LDL "bad" cholesterol, and makes it more difficult for platelets to stick together and form the clots that can lead to a heart attack. #jeunessereserve #jeunessesingapore #heartdisease

julianlopper5 Hello there! This is my new profile in order to support our cause and aim at spreading awareness for many disabilities, disorders, and more.. Can you please repost and check out my photo on my page to help us spread the cause?
