Jeannie McIntyre Green Is there a specific way to use it when you are sleeping on your back? I'm not sure how to roll it

Debby DeSandre It's the only pillow I can sleep on. I've had 3 neck surgeries and I thank you for this pillow. I recommend this pillow to anyone with neck issues!

Sandie Van Voorst Before this pillow i had to replace my pillow every month or two or I'd get migraines from a sore neck. I've had My Pillow for over a year now and love it as much as I did the first day. THANK YOU. this pillow has improved my life so much!!
