

LIVING THE LIFE I LOVE! RESIDUAL INCOME! FINANCIAL FREEDOM! YES!

KYANI Canadian would like to congratulate their partners Justin and Christina Nimergood from Irvine California, for recently achieving the Sapphire Rank with Kyani and for living the life of their Dreams!!!

This is their true story.....It all started with being stressed out, burnt out & ready to get out of the 9-5 rat race...

My husband, Justin, & I made the life transforming decision to step up & create the life we see in our dreams by building businesses that fall into alignment with our values & goals we have for our life. Not to mention, building businesses that are "lifestyle" friendly! Recently, we made the decision to join Kyani, a nutraceutical MLM featuring all natural, Non GMO, life changing products! We can whole heartedly say that this has been one of the most rewarding decisions we've made financially, emotionally & physically.

To add to the above goodness, below are a few ways Kyani has personally transformed our lives for the better from the inside out! Kyani has given us the resources to spend our time focusing on personal development while creating a conscious lifestyle! Kyani has also given us the ability to experience more HEALTH, more WEALTH & more LIFE synergistically! That's whats up!

If it's one belief we have, it's that people crave finding work that moves them in the direction of their dream. Kyani has & is doing this for us & we hold deep conviction that Kyani will show up for you in your life as well!
