Congratulations Keiki-Dawn Izumi on your new Kyäni Audi!

"I did not look at Kyäni the first time around, not even the great products! My introduction to Kyäni was by default over a year later. A friend wanted me to sit thru a dinner meeting. My claim to fame is, "I don't do meetings." But, I attended and to my surprise, the Nitro FX and the Xtreme products took away the arthritic pain in my fingers in minutes. Still in shock, I told my friend I wanted to leave since I avoided network marketing businesses with a 10 ft pole. On the way home, I commented how the product worked for me and how I should share this with my golf friends and the rest is history!

I am doing meetings and helping as many people I can with their ailments. I help my group get to the next level and do meetings with them. Finally, there is a company with products that work and when we share, we get paid too! Unbelievable! Kyäni is simply a health supplement regiment, but by golly, these products are simply outstanding! Thank you Kyäni and thank you Chigo (my sponsor who invited me to the meeting)!"
