At 25 years old, a newlywed, personal trainer and fitness director, Shawn Lawrence, felt overworked, underpaid and definitely under-appreciated. Luckily, someone who worked out at the gym shared the Kyani opportunity with Shawn.

"I started my journey with Kyani on August 6 of 2014 and the experience has been nothing short of remarkable!" Shawn was able to achieve Sapphire in just 7 days, Ruby in a few months and he picked up his Audi in 60 days.

He feels blessed to be able to say that he has a residual income that covers all of his family's bills and then some. He is extremely happy to be his own boss, no longer needing a regular job and is able to spend more time with the people that he loves.
