If you don't design your own life plan, chances are you'll fall into someone else's plan. And guess what they have planned for you? Not much...

Essence of a New Day - "This is the beginning of a new day. You have been given this day to use as you will. You can waste it or use it for good. What you do today is important because you are exchanging a day of your life for it. When tomorrow comes, this day will be gone forever; in its place is something that you have left behind...let it be something good."
