Who do you know with acne? It's embarrassing and takes a hit to your ego everyday. This is my face before and after using Kyani after 3 1/2 weeks. If you or someone you know suffer from any illness diabetes, cancer, fibromyalgia etc.. Try it. Just try it!!! people are having to take less and giving up their medications all together. This is a big deal. Inbox me if you would like more info a... [See More](#)
