My happy darling and new car owner(Kyāni car), tomorrow will the Kyāni stickers by in place. It's not the biggest car but it's a rolling business card that my awesome friend Kenneth usually say and then my little son will see the world any day or hours, pardon my language but shi. life is absolutely wonderful

**No one wants to support you at the start of your journey but once they see your success they all want to be friends again**
