THE KYANI OPPORTUNITY

Kyani Distributors are earning \$500, \$1,000, \$2,500, \$5,000 or \$20,000+ per month in residual income.

"Residual" income means you get paid over and over for work you did once.

Kyani offers a unique opportunity to earn a stable, residual income based on a direct sales business model. By sharing the Kyani products and opportunity with others, our distributors build their own successful businesses and earn recognition and lucrative rewards along the way, including Cars and Vacations.
