

Amazing testimonial.....

In 2008 my mother Alma L. Siller had a 3 lb. tumor growing inside her stomach and had no clue until she went to get a check up. They removed the tumor and everything was okay but then 3 years ago my mom was rushed to the emergency room because she had short of breathe, her blood presser went up to 242, her cholesterol was high, & her sugar level was high. The Doctors told her she was stage 1 Diabetic and perscripted her diabetic, high cholesterol, and high blood pressure pills. Also gave her a breathing machine for her asthma and needed to do daily breathing sessions. She got better as the days past but just wasn't the same mom I knew before this happened. Her prescribed drugs just kept getting her dizzy, nauseous, or even sometimes sick. All the Doctors would do is find a new prescription to give her instead of the last. She was getting better, just not 100% better! She also kept mentioning her hands being in pain and her finger kept getting stuck but also had a weird feeling in her arms. June 2015 I was reintroduced to a company called Kyäni. I did my homework on the product and as I was listening to the product overview on YouTube my mother over heard the overview and immediately asked "what's it called, & what does it help with?" She also stated "I wouldnt mind trying this, I need all of this!" ... That gave me the GREEN LIGHT to get the product in my hands and give the product to her to try. Literally 3 days later she tells me saying "Mijo that Kyani product does work .. my pain in my hands is gone, her finger wasn't getting stuck anymore, the bad blood circulation in her arms and tingley feeling was gone, she had more energy, & felt young again! Ever since we both were introduced to the Kyäni Triangle of Health we both literally have been Experiencing More with Kyäni! I thank the Lord for guiding me the right way and Thank you Kyäni for helping my mom and bringing back the old mom I am use to. My mom literally LIVES KYANI! Now we are caring and sharing this amazing product! #Kyäni #TriangleOfHealth#ILiveKyäni #ExperiencingMore #MyWhy #HealthyLife #LifeChangingProduct #GiveltATry #MadeByDoctorsAndScientists #ThankYouGod
