# Your Natural Way To Reduce Inflammation Caused by Osteoarthritis And Rheumatoid Arthritis Relief!

by Rachel Holmes | Oct 26, 2013 | Canada | 0 comments

## How Kyani Health Supplements Can Help With Pain And Inflammation Caused By Osteoarthritis and Rheumatoid Arthritis

Kyani Sunset is proven to reduce inflammation by over 90%. Now that is exciting news for people suffering with inflammation caused by Osteoarthritis and Rheumatoid arthritis sufferers. I myself am one afflicted with Rheumatoid arthritis. When I came across Kyani I was skeptical, most people are. I tried it and I can definitely say that Kyani helps as a pain management supplement for Rheumatoid arthritis relief. I can run up and down the stairs comfortably, open jars without my hands screaming at me. This makes me very happy! I finally found **rheumatoid arthritis relief!** It is a wonderful feeling to take back my life.

How many people suffer from inflammatory disorders?

- Arthritis - 70 million
- Cardiovascular - 60 million
- Allergies - 39 million
- Asthma - 17 million

### Inflammation

Anytime you get an infection inflammation occurs, injury, or diseases. You have inflammation when you have pain, swelling, or a fever. Inflammation manifests itself in the form of many diseases such as inflammation caused by Osteoarthritis, rheumatoid arthritis, tendinitis, bursitis, cystitis, and hepatitis. Research has shown that inflammation is associated with every disease from heart disease to diabetes and Alzheimer's disease to cancer.

## Kyani Sunset Helps Fight Inflammation Caused By Osteoarthritis & Provides Effective Relief Naturally!

A Safe way to manage inflammation: Kyani Sunset is a healing blend of Wild Alaskan Sockeye Salmon omega 3 fish oils (extracted with a patented process that results in a mercury-free fish oil supplement) and Vitamin E tocotrienols from the annatto bush.

### Serious About Finding Ways to Reduce Inflammation Caused by Osteoarthritis & Get Rheumatoid Arthritis Relief? Use Kyani As A Pain Management Supplement!

Much of the research on vitamin E has focused on alpha-tocopherol, while studies into tocotrienols account for less than 1% of all research into vitamin E. However, Kyani's Vitamin E tocotrienols researcher Dr. Barrie Tan has been leading the way in helping people better understand what is in the Vitamin and why Vitamin E tocotrienols represent one of the newest cutting edge ways to reduce inflammation caused by osteoarthritis and rheumatoid arthritis.
