There are no known side effects when taking Lipozene® or MetaboUP PLUS as directed.

How much weight will I lose?

Weight loss will vary per person. Lipozene® guarantees you will lose weight and body fat, or your money back! Clinical study participants lost almost 5 lbs. more than those taking a placebo, with no lifestyle change, meaning they were not told to diet or exercise. 78% of the weight that was lost was pure body fat!

How does Lipozene® work?

See "How Lipozene works" page for detail. [Click Here](#).

How does MetaboUP PLUS work?

The individual ingredients in our proprietary thermogenic formula, including green tea, oolong tea leaf, guarana seed extract, kola nut seed extract, cayenne fruit and B vitamins work to increase energy and metabolism to help you burn more calories. †

How do I take Lipozene®?

As a dietary supplement take 2 capsules 30 minutes before meals up to three times per day with at least 8 oz. of water. Based on clinical studies, the recommended dosage for optimum results is the daily maximum dosage of 6 capsules per day. **

Can you take Lipozene® and MetaboUP PLUS with medications?

We are not aware of any drug or supplement interactions, but you should consult your health care provider before taking any weight loss supplement, including Lipozene® and MetaboUP PLUS. For additional warnings please [click here](#).

What were Lipozene's Clinical Study results?

The 8-week clinical study sponsored by ORI was done under free living conditions, meaning participants were not given directions as to diet and exercise and thus were not instructed to change their daily lifestyle. On average, the active group lost 4.93 more pounds than the placebo group, and 3.86 lbs. of body fat!

Does Lipozene® have an expiration date?

Lipozene® has a shelf life of 3 years. The expiration date is stamped on the bottle.

Does MetaboUP PLUS have an expiration date?

MetaboUP PLUS has a shelf life of 3 years. The expiration date is stamped on the bottle.

Where is Lipozene® made?
