25 Year Live Blood Analysis Veteran Uses Sevenpoint2 Products With Patient With Lyme Disease

Carlene Roberts has been doing live blood analysis for over 25 years. She has found that even after completing an alkalizing program that heaving metals can still stick around in the body. In her clinic, she discovered that a good source of non-animal protein & fiber assist with removing those heavy metals. **The SevenPoint2 products have been very successful in helping her patients' treat this heavy metal toxicity.**

One of her patients and the focus of this recording was a 21 year old female was suffering from chronic lethargy and disability due to Lyme Disease. Her live blood test was the worst Carlene had ever seen. **After just four weeks taking the SevenPoint2 products, she came back with a**
