### What Dense Nutrition and Molecular Hydrogen has done for this products users skin

“I’d had this patch on my skin for about 3 months, during which the whole time I had been seeing a NatroPath. She wasn’t entirely sure what it was – thought maybe eczema, then perhaps a fungal infection, and we tried so many things! I had multiple bottles of liquid herbs, high strength immune support supplements, high potency vitamin c, probiotics, garlic. I tried using colloidal silver, apple cider vinegar, jojoba oil, bentonite, manuka honey... And still it wouldn’t shift. On my last visit the NatroPath said she admitted defeat with it, and suggested perhaps I needed to see a GP and maybe get some antibiotics. I refused as I don’t believe in using pharmaceuticals.

I’d always been very health conscious and I ate a very alkaline diet, full of fruits and vegetables so I wasn’t expecting the 7.2 products to make much difference. I tested my pH which came up as 7. I really didn’t think that an increase of 0.2 would make much difference to my health but I
