Stroke Victim Uses Recovery with HydroFX

This testimonial is perhaps the most moving in our series so far, especially for anyone who knows or has a family member who has suffered a stroke. This testimonial is given by the daughter of a victim of a stroke who started taking Recovery with HydroFX the week after he suffered the stroke.

Stroke patient experiences immediate mobility improvements after taking Recovery HydroFX. An hour after taking the first dose, he was able to brush the hair out of his face without poking himself in the eye and after only three days he was able to walk assisted with a walker. After five days he was able to walk unassisted without his walker and regained complete use of his left arm. Finally, after only 11 days of taking the Recovery HydroFX he was out hitting golf balls.
