At first, I was confused by the membership. But now that I understand it, I think that it's hassle free and super convenient.

Recently, they've added so many features to the membership that I earn rewards with hardly any effort now! I wish it was this easy with my credit card company!!

My favorite times of the year are June and November when they have crazy deals on so many cute bras! Last time, I bought 3 gorgeous sets for \$40! ! Who can beat that?!

## NEW! Shop or skip every 3 months, instead

Love lingerie, but tired of skipping each month?

You're in luck! We launched the Quarterly VIP membership just for you. Here's how it works:

- ✓ Shop or skip every **3 months** instead, no store credit charge in between
- ✓ Keep **ALL** your VIP perks (\$10 off each set, 6th set is free, special sales & more)
- ✓ Enjoy **SMS and email reminders** to visit your showroom

Next time you'll need to visit your showroom will be **May 2016**, then in **August 2016** between the 1st and the 5th of the month. No skip, no charge in the meantime and you can still shop anytime you'd like!

## One Last Thing!

Before deactivating your account, we're obliged to inform you that by leaving the VIP membership you **forfeit** all former benefits (including but not limited to reward points, special sales, store credits etc).

**We strongly suggest that you use your current store credits and reward points**, as items will be more expensive outside of the membership. If you prefer, you could take a Payment Vacation now, use your store credits and rewards, then unsubscribe later—it's always your decision!
