Aloha! My story began in September of 2009. My cousin gave me a sample of Kyäni NitroFX™. Being a mother of five, she knew I needed the energy. At the time I was addicted to energy drinks. I took the Kyäni NitroFX™ reluctantly. I told my cousin that if I could get energy naturally, I would kick the habit.

To my surprise, I felt better within the week and I asked for more samples. At that point, my cousin signed me up as a Kyäni distributor. I eventually took the complete Kyäni Health Triangle. My life has never been the same. I have been asthmatic for 10 years. Over the past two years, I've only had one induced asthma attack. Kyäni does repair, maintain, and depend every cell of the body. I am living proof. I have run 5K, 10K, half marathons, and the Honolulu marathon. Over the last year, I have gone from a size 12 to size 6. I'm doing things I should of done in my 20 and 30's. With Kyäni, I enjoy my family, my health, and sharing my love for Kyäni. Mahalo Kyani for all you have done. I have Experienced More.
