"I'm new to the KYANI team and have only been taking the triangle of health for 1 week but I wanted to share something I have felt from taking the products. I have a 6 month old baby and since pregnancy I have had terrible digestion and a very slow metabolism. I also, as you can imagine, get NO sleep, so have very little energy at the moment. I honestly never thought I would get my digestion back post birth and became very depressed about it. After only day 3 of being on KYANI products, I felt a change. I didn't feel bloated, like I normally do, and my metabolism was back on track. I feel like I felt 15 months ago before pregnancy with great digestion and no bloating. Hail Kyani. I am now a Kyani distributor as I love the product that much!"
