

4LIFE® WOMENS TESTIMONIALS™

Powered by [Google Translate](#)

I was suffering from eye floaters for months. My doctor advised me to wear glasses and take a few supplements. I didn't see much improvement and the surgeon advised me to go for laser treatment. I started to take 2 TF Adv Riovida 30ml times daily. I saw improvement within a few days and after months I realized I don't have the problem anymore. I had no pain after first delivery. I was on pain killers but now too has disappeared.

SELVAKUMARI - Difficulties To Raise Arm

I couldn't raise my arm shoulder for few months. I was on painkiller and physiotherapy didn't help me much. I was introduced to 4Life products. I took 2 30 ml riovida 2 times daily. Within one week, I saw improvement and now I don't take painkiller and can raise my arm without any problem.

JAMILAH WAHAB - Thyroid

I had thyroid problems for years and the swelling was growing. I started to take 2 Tablets since May 16th, 2009. Since then, the swelling has reduced and I stopped my doctor's medication. I feel much better and healthier now.

NORSHAMIM - Epilepsy

I had my 1st epilepsy attack when I was 11 months old and on medication since then. Even with medication, I was still hospitalized monthly because of the attacks. After taking 30 tablets twice daily, the frequency of Epilepsy episodes has reduced. I feel much better, energetic and my strength is much stronger now and the hunching has stopped from getting bent further.

SANTHI - Breast Lump

I was suffering with severe pain in my breast. My doctor diagnosed that there was a big lump.

done but it was not cancerous and doctor advise me to remove the lump by 2 TF Plus 30ml Riovida 3 times daily. Within 2 the pain has subsided and the lump disappeared surprise of my doctor.

JANAKI - Senior Sports Women

I was always complaining of cold and was wearing jacket even on hot days. I couldn't even go to aircon room. I started to take 2 TF adv 3 times daily and in 2 weeks. I started to join senior sport activities. I am now representing the state on National level for Running and have won few medals. Soon I'll be representing the country. All these are possible just because of Transfer Factor.

MEGALA TAMILSELVAN - H1N1 Swine Flu

On 12/8/09, at 11 am I received a call from my daughter's school to bring her back because of fever. I took her to Kulim Hospital and the temperature was high, 39.5 degree. Some routine tests were done and two days later confirmed she was infected with H1N1 virus. Immediately I was advised by Mr. Jega to take 2 caps of TF Plus and 60ml Riovida 3 times a day. Within 2 days, the follow up showed her results negative from H1N1.

MRS. SELVAMANI - Thyroid Cancer

I was diagnosed with Thyroid Cancer in 2003. Surgery was done to remove the growth with gland. In 2004, another growth appeared and another surgery was done through radioactive iodine treatment for 25 days. Every six months, I go for routine check up and went for radioactive iodine treatment there is a growth. I started to take 4 TF Plus and 30 mg of Rioda 3 times daily since Feb'2008. Since then, I feel much better and my check ups clear me from cancer.

MRS. SELVI - Brain Tumor

I was diagnosed with brain tumor in 2005. Surgery was done to remove the tumor. Due to the doctors found the tumor has grown again and advised me to undergo another chemotherapy on August 2008, I started to take 4 TF Plus and 30 mg of Rioda 3 times daily. After I had some nose bleeding, went through healing crisis. I continued with the same dosage and diagnosed free of tumor. I feel very energetic and better. My position has improved much better and I am witnessing improvement.

DEEP KAUR - Breast Cancer

About a year and a half ago I was diagnosed with 3rd stage breast cancer. Doctor advised me surgery immediately and after that to go for chemotherapy. I opted not to go for surgery but went for 10 cycles of radiotherapy. I took 4 tabs of TF plus and 30ml Riovida daily along with my radiotherapy. Now I am feeling my usual self and the weight that I lost during radiotherapy. My routine checks are free from cancer cells.

PUAN. RUBIAH HASSAN - Viagra Lady

I am a heart and a pacemaker was implanted 6 years ago in my heart. I was on many medications. About a year ago I started to feel very lethargic and weak at times. My cardiologist found my heart is very weak and on p. Viagra 100mg daily and took that daily for 3 months until life products were introduced to me. I started to take Cardio 3 and 2. Within 3 days, I felt much relief and stopped taking other medications. Now, I am still taking some other medications except Viagra and reduced statin drug. I feel very energetic, the pumping efficiency has improved and feel and work as a young woman. My complexion has improved.

PUAN. SITI FAIZAH - Darah Rendah, Migraine

Saya ialah pesakit tekanan darah rendah, uric acid tinggi, tangan kebas, migraine, asid lemak dan kerap pengsan. Saya telah jumpa doktor banyak kali dan juga telah cuba his suplemen. Tetapi saya tidak dapat kesan yang dipersetujui. 4 bulan yang lepas saya diperkenalkan dengan produk TF. Saya ambil 2 biji TF Adv dan 30ml riovida 3 kali sehari. Dalam 2 minggu saya mengalami kesan yang menakjubkan. Sekarang, saya sudah sembuh semua simptom – simptom tadi dan mengalami kehidupan yang cergas.

HJH. RAPHEAH - Retard Ageing

I am a lecturer who drives 50 km to and from work and I don't have maid at home. I was introduced to TF and started to take 2 TF Adv and 30 daily riovida. I notice a lot of improvement. I feel very energetic and my back is much stronger. My skin becomes much younger and my students said I look very much younger. My husband also said, I look much younger and we are an intimate and loving couple now.

UMMU KHALSOM - Depression, Pimples

I was having big pimples on my face for many years and was taking some strong antibiotics for an outbreak. Two years ago due to stress from the school I went to psychological problems and doctors diagnosed me with depression. I was going through counseling and few drugs. I went to traditional healers also. I tried to isolate myself from family members and hardly talk to people. The side of the treatment made me sleepy. A year ago, I started to take 2 times daily and started to see improvement within days. My mood became much better and the doctor took away the drugs from me and doctors have depression from me and going through a normal life style. My pimples disappeared and I look much better without any medication or creams for pimples. Thank You TF.

PUAN. MARIA IBRAHIM - Swollen Uterus, Lower Abdominal Pain

I got married at 21 and had 3 children by caesarian. After my third child I started to have lower abdominal pain. The doctors advised me to remove the uterus which I went for traditional massage which gave a short period of relief. If I was on pain killers too relief the pain I was introduced to TF. I took 2 TF Adv 3 times daily and within 1 month I started to feel better and within 3 months my problems were completely cleared. Because of transfer factor, I have to escape surgery.

KALAIARASI - Leukemia AML

I was diagnosed with AML in 2007 and went for 6 cycles of chemotherapy and many cycles of Radiotherapy. I lost weight, lost hair and almost gave up hope on life. When I started to take 2 TF Advance and 30mlti-Div daily after my second Chemo, I started to see good improvement. I felt more energetic, hair grew much faster, gained weight and my blood counts improved well.

MS. MALA - Asthma

I was suffering from asthma since I was a child and it became worse when I grew older. I used to use an inhaler almost hourly and needed frequent nebulizers. At an average, I went to hospital 2 to 3 times a month. I have tried many types of supplements and alternative treatments but didn't see much improvement until I was introduced to TF. I took 2 capsules of TF daily. For the first 2 weeks, I went through terrible side effects but I was encouraged to continue. About 2 weeks later, I saw fantastic improvements. Now, I stopped using nebulizer and rarely use my inhaler. TF has brought new life into my life.

PUAN. RYN - Constipation

I was having constipation problem many years. Most of the time I couldn't even remember last I went to ease myself. I have tried many type of laxatives but they didn't give much improvement for my problem until introduced to Tea4life. The first one week I took tea before go to bed and reduced to 1 sachet daily after ~~very~~ ~~was~~ ~~pride~~ ~~to~~ ~~my~~ ~~problem~~ ~~h~~ disappeared and now I can clean myself first in the morning.

PUAN. SALAMAH SALIM - Sakit Buah Pinggang

Sana telah menghadapi penyakit manis, darah tinggi, jantung, buah pinggang, batu ka glcoma untuk beberapa tahun. Doktor beritahu, buah pinggang tidak berfungsi dan dinasihatkan untuk suci buah pinggang. Produk TF diberikan kepada saya oleh anak saya. Sambil TF Adv, Riovadio dan dlocoach untuk 6 bulan. Dalam 6 bulan ini, saya hampir daripada kesemua penyakit tadi. Lebih 10 ketul batu keluar air kencing. Doktor juga terkejut dengan fungsi buah pinggang beritahu saya tak perlu pergi untuk suci buah pin. Sebelum ini saya diminta untuk mengunjungi doktor setiap bulan. Sekarang doktor 'discharge' saya dan menasihati saya tak perludijumpai. Terima Kasih kepada produk TF.

ZENA DAS - Migraine

I had been suffering from headache ~~migraine~~ for 20 years since the age of 17. I have killers such as caffargot, immigran, accedrin, tylenol and a couple ~~inofkillers~~ throughout the period. My migraines became more accptas ~~the~~ years and I resorted to getting voltran a vomit jabsometimes as often as 2-3 times a month, when the pain was ~~started~~ unbearable I caps of TF Advanced 3 times daily and within ~~head~~ ~~redules~~ reduced tremendously and I have to take ~~pain~~killers. It's been a year now and I'm very grateful ~~factor transfer~~ has given me a new life!
