2XU Military Compression Women's Socks - Made In USA, Coyote - Made In USA, Small

2XU Military Compression Socks - Made in USA
MADE IN THE USA

The 2XU Compression Sock is a true hybrid between active and recovery wear. Super comfortable, light padding where it matters and breathable, you can't beat this sock whether out on a run or recovering on the couch! Strategically placed fabric zones start in the foot bed, wrap the heel and ankle, then gradient compression ensures maximum venous return and muscle containment of the lower leg.
