Fibromyalgia

FIBROMYALGIA

I've been taking the company products for about nine months now. And I started them with the goal of reversing the Fibromyalgia symptoms that I've suffered for about twenty years. I've tried a lot of different things over the last twenty years and really had learned to cope with the condition until about two years ago. Then at that time I really got into a downward spiral that just never seemed to stop. It included chronic pain, and fatigue, and sleepless nights and depression and so forth. I started on the products, Fibro AMJ Complete Pack and Choice 50, and in about two weeks. I was sleeping better. After about two months on the product, I felt like I had just walked out of a tunnel into the light of day. After three months I reached a level, I would say, of 95 percent symptom free, or status of 95 percent symptom free living. I've really enjoyed that level of health for the last six months. I really do appreciate that, and I really am thankful to our company for that opportunity to, to reverse the symptoms of Fibromyalgia. I've also been able to help a lot of people with that condition.

FIBROMYALGIA

I suffered from the symptoms of Fibromyalgia, arthritis, and chronic fatigue syndrome. I have tried other nutrients with a degree of success. After consuming Transfer Factor™, FibroAMJ™, and BioVitaMins™ for a couple of months, my symptoms decreased by at least 50%. Now, after six months, I am virtually symptom free.

I have seen 4Life™ Transfer Factor™ knock out colds, sore throats, etc., but it also has helped Fibromyalgia, neurological problems, chronic yeast infections. All of our cancer patients are using 4Life™ Transfer Factor™.

FIBROMYALGIA

had taken over my life for approximately 15 years. Then I found out I had become extremely toxic to the medications, so I had to stop taking all prescription medications. Then I received a call about Transfer Factor™ and after a lot of research I decided to give it a try. In less than 4 weeks I could sleep through the night and I could exercise with a lot less pain. My checkups have been symptom free. I had forgotten how good it feels to feel good again. Thanks 4Life for giving me my life back.

FIBROMYALGIA

I was diagnosed with Fibromyalgia about 3 years ago and realized that I've had it for many years. I've been taking the FibroAMJ™ Day-Time and Night-time formulas since May of 1998. I am a totally new person. I'm back on my 5 mile walks again, and I can golf 18 holes and do my housecleaning. I also started on the BioVitaMins™ a couple months later. I'm not as tired and I'm starting to have a lot more energy. I think it's a wonderful program. I am very happy with what it's going for me. I can live again.

FIBROMYALGIA

Rita is a 52-year-old with a history of chronic bone and muscle pain that affected her on a daily, literally moment-to-moment basis. She was given multiple diagnoses, until finally the diagnosis of Fibromyalgia was made in mid 1999. She visited us in July of 1999 and we shared the Fibro regimen of 4LR (transfer factors, Fibro Day and Night, and EFA's) with her. She tried it for a month, with "astounding" results within the first four weeks of supplementation. Now a full 6 months into supplementation, she rarely requires any pain medication (an occasional Advil or aspirin) and now lives a full life with little, if any discomfort. She will start taking Nutra-Leane soon and hopes to have a positive experience with weight control. Most importantly, her spirit has returned to the Rita we once knew. And all we did was share what we have learned from 4LR! Sharing is a powerful thing! This is our second success story with people with Fibromyalgia, the first being a 63-year-old grandmother of 5, who now "can hug her grandchildren the way a grandmother should be able to." She too has a "full life" with an estimated 80% reduction in pain and nearly full function, with much improved sleeping at night.

FIBROMYALGIA

I have Fibromyalgia. Since I've been taking the FibroAMJ™, I've been sleeping a lot better. It also helps to alleviate the pain; and so I am just really impressed with this. The more I learn about this product, the better I like it.

FIBROMYALGIA

I am a young woman with Fibromyalgia, with symptoms like migraines, muscle aches and exhaustion, and I started on the 4Life™ Transfer Factor™ and FibroAMJ™ system and am able to get out of bed and do the activities of daily life.
