Thanks to Jusuru Drink Liquid Collagen, Vince and I have earned an all expenses paid Vacation to an all Inclusive Resort in Cancun (everything- Food, Hotel, Entertainment, Dancing, Golf course, Spa, Mayan Culture Tour, Air Fare and even Gratuities will be paid) . I've read all about it and one person who was there said it was like being on a cruise ship but on land.....best ever!! AND we get to do some charity work while we are there with the children. Awww...
