Pregnancy

PREGNANCY

I took TF throughout my pregnancy. This was my third baby. This time I experienced no pregnancy mask, no morning sickness, and no edema. I delivered a healthy 8 lb 11 oz baby boy. He is such a good baby.
Mary Lynn, NC.

PREGNANCY

I've had a female problem since I started my cycle as a teenager and was in a great deal of pain. My doctor prescribed a very strong reliever and I still was no getting any relief. My husband and I wanted to start a family but I was unable to get pregnant. A friend of mine introduced me to TF and within 1 month I was pain free and within 2 months I was pregnant, I know God gave me a friend, knowing that she had TF to share with me.
Missy, SC.
