day# on jusuru...i suffer from arthritis, chronic fibromyalgia, psoriasis, gerd, asthma/allergies and hypothyroidism. all diseases which attack the bodies defences. almost all go after joints and skin and hair. some also target inside organs. i may not look sick but when i stand up and start to move, you see it...the stiffness, the winces i try to hide, the lines of pain on my face. things i used to love to do now very hard or impossible to do. jusuru uses the same things your body is supposed to use to rebuild and renew from the inside. today i did not take anything for pain...i am not pain free but i am not as bad as i feared i would be. already i have noticed one other difference...my skin is not flaking. normally this time of year in the dry heat of home and the drying effects of being outside in the cold really take a toll on my skin. i can create a cloud of flakes rubbing a hand across my arm. not today! if you would like to learn more about this product watch this video.
