

Sinus, Migraine, Slipped Disk

- I was suffering from sinus and migraine from small. I have tried many alternative medicines to treat my problems since my doctors told that there is no permanent cure for sinus and migraine. I was also suffering from slipped disk and was taking pain killer and my doctor advised me to for a surgery which I was reluctant to do.
- I started to take 2 caps TF Advance and 30ml Riovida 3 times daily. Within 2 months i started to realize that my back pain has reduced lot and I stopped to take pain killers.
- In three months , I realized I am free from sinus and migraine.
