Wonderful testimonial -fromTracey Atkinson - Gold Coast, QLD  
" Something I just wanted to share.. I have had an allergic reaction to something I have eaten...I am covered from head to toe in an itchy, blistery red rash... Last night I rubbed some nitro fx on one area on my arm that wash driving me crazy as it was so itchy... Instant relief.. I have just soaked in a cool bath with two squirts of Nitro fx.. No more itching, and the blisters are drying up... Love these products... Please share xx"
