TESTIMONIAL

Hi all. I would like to share my story with you. We have a beautiful little 3 (almost 4) year old girl who was diagnosed with Autism just before her 2nd birthday. I could count on both hands the number of nights she has slept through or the times she would sleep during the day. Her frustration of being unable to communicate with us was heartbreaking. Our frustration of being unable to connect with her was crushing and exhausting. After almost four years of sleep deprivation taking it's toll (I suffer from depression, Hashimoto and back pain) a good friend told me about her sister who distributes the amazing Kyani. I received my trial pack of Sunrise and started firstly myself and then our daughter (it took a while for me to figure out how to get her to actually ingest it as she is VERY fussy with eating - she has it in her cereal every morning). By the second day I could feel the changes in myself, I felt happy, clear minded and was able to get through the day without wanting to collapse with exhaustion. The changes in our daughter were almost instant and jawdropping to watch. Her attention and comprehension have improved and her eagerness to interact and engage with us nearly makes us cry. All those on a regular basis can't believe how far she's come. We are finally starting to see the cheeky character she is. Last week she came running out of her room saying "I so happy". We cried. It was her first sentence that wasn't mimicking. Her sleeping is so much better also. After all these changes in just 3 weeks, I knew I had to step out of my comfort zone and become a distributor of Kyani. I wouldn't have done this if I didn't believe in these products 100% and that I could help others the way Kyani has helped my family. Thankyou for reading and thankyou to Maria Tobin and Simonne Slade who have forever changed our lives. xx. THIS IS NOT MY TESTIMONIAL, BUT I HAVE PERMISSION TO USE IT TO SHOW PEOPLE HOW KYANI CAN HELP. DO YOU KNOW ANYONE THAT YOU THINK MAY BENEFIT FROM USING THESE AMAZING PRODUCTS. IF YOU ARE INTERESTED CONTACT ME.
