Think of it this way... [Nitro Xtreme™] acts like fuel additives. As stated, you get better performance with the higher octane. Generating more nitric oxide you achieve peak performance. - Dr. Abbas Q

June 7, 2016 1st pic blurred vision	I drop small amount of Kyani Nitro FX	Feel little pain and itchy but don't rub it
Hold on but tears fall. I rub my tears around my eyes... Kyani is there! (teardrop)	Wait...	I open my eyes side... and Yes! it's there!
See the BIG difference from 1st pic to the last? It's amazing! My eyes/vision comes more clearer, alive and unseen tiredness compare to the 1st pic, also I notice, it lift up my eyes skin!		
This is my Kyani story. Don't try if you have any doubt. Individual results may vary.
