Zeal Testimony – Diabetes

I'm so excited!! I have to share my doctor's report with everyone...

...Today, I went for my 3 month check up for my diabetes. For anyone that does not know I have type 1 diabetes. The doctor took me off my blood pressure pill, I have lost 12 pounds, my lantus insulin was 78 units now it's 50 units a day. Cut my day insulin down also. In 3 months when I go back she's talking about taking me off my cholesterol pill. And I feel great!!

I have ZEAL to thank!!! Also, thanks to our Awesome trainer Peter N Nielsen for the calls he does every week.

Zeal has changed my life!!!
