Mike, this is my friend Julie HeremaiaJulie Hepi who's hubby has type 2 diabetes - Zrii Amalaki really helped him and FAST! These are photos of his blood sugar levels taken daily from the first day he started taking Zrii Amalaki. He didn't even know what it was! lol

One 30ml shot in the morning. One at night.

Zrii is more than nutrition - it is the science and power of Ayurveda. And Ayurveda is all about using the power of nature for healing, health and wellbeing.

And because I know dealing with diabetes is a big deal for a lot of people, here are two scientific informative videos on Amalaki to explain the magic in this amazing nutritional. It ain't just juice!!! I know in life there are no guarantees that anything will work for you - but with evidence like this, isn't it worth a try?

Watch these videos:

Then order your Zrii Amalaki bottles here: [www.GetExcited.myzriipro.com](http://www.GetExcited.myzriipro.com) where you will get the same wholesale rate that I enjoy!

It really can be that easy!

A little look at heremaia's blood sugar levels from high to a regular, normal level! All from Zrii products....especially Amalaki....there's something magic about amalaki....there's no other way to describe it! I'm just glad we found it before heremaia's health declined or he got hurt while driving with a high blood sugar level.
