Another AMAZING TESTIMONIAL!

" My Kyani Testimonial:::

I started Kyani because my son offered it to me. At the time I was going through a real hell. I had very deep depression and 5 years of the worst Vertigo you can imagine. I went into the hospital 3 times 9 days each time, couldn't walk, open my eyes. and felt like I was dying. By the time a was at my worse, my son call me and notice I sound bad, he asked me, what was going on and I explain everything to him. He said, Mom if I send you some products will you take it? I said , if you send me a poison I will take it, because I cannot go on feeling like this. He send to me a month of Kyani Triangle I started it the next morning as he told me. 2 weeks after he called me and he couldn't believe what I told him and how I was feeling. My Vertigo disappear completely and in two more weeks my depression gone and I am off medication for both. How can I not LOVE my KYANI TRIANGLE . I have been on it for 4 months now and will keep taking it because I do not want to go back to the way I was feeling. I love the new me today and I like to be able to help more people to have better health and live without prescription medication. Kyani is the new life style.Trust me, Kyani can help you to deal with so many ailments, and even help you come off prescribed medications as it did me, my husband and now my 82 yr old mom. It's been a blessing to us and we are so Happy to be a Kyani Family. Irisha Molina Montanez ... Julian Mora's Momma!"
