

Mialisia & More with Laura

Like This Page · March 25 ·

So many people battle eczema, psoriasis and other skin conditions, and our little guy is one of them! We've taken a multiple approach method to help manage our 1 year olds eczema including starting him on the Youngevity Rootbeer Belly probiotic (that's delicious!) and daily use of our Youngevity Frankenscence/Lavender blend mixed in our natural Shea butter to soothe his skin. Too good of results not to share!
