Great health products available now. Read about the company. I use it. Univera products have helped with my diabetes and high blood pressure.

One Man's Vision - Univera®

Today, Univera is the central piece of a large global organization, but in the beginning it was one man with a vision. The man was Yuntro Lee, a successful Korean businessman.

Finally, everyone seems to be understanding that "muscle is magic." Muscles stabilize and protect your joints, muscles burn calories, and are especially good at burning adjacent fat. Exercise stimulates immunity in part because of signaling molecules derived from working muscles. Muscles balance blood sugar. In a study with diabetics, resistance strength training produced better results than weight loss! And finally, muscles are sexy! Check out the Univera Metabolic Makeover
