

Helping Our Children

BEFORE

AFTER

These 2 children were suffering from Eczema which previously administered steroid based creams had failed to improve. After just 4 days of using the pure safe products from the Arbonne ABC range these remarkable results were achieved.

- All four products are clinically tested for use on sensitive skin
- The Body Lotion is clinically tested to provide 24 hours of moisture for baby's delicate skin
- The Water Resistant Sunscreen SPF 30 and Nappy Cream are fragrance free
- The Body Lotion and Hair & Body Wash delight the senses with an essential oil blend of cottonseed, vanillin and sandalwood
- Allergy tested
- Pediatrician and dermatologist tested

For further information please see your Arbonne Independent Consultant
