Re: *Morrow v. Ann, Inc.*, No. 16-cv-3340 (JPO) (SN) (S.D.N.Y.)

Dear Honorable J. Paul Oetken:

On behalf of Plaintiffs Siobhan Morrow and Ashley Gennock ("Plaintiffs") and Defendant Ann, Inc. ("Defendant"), the parties wish to report that, with the valuable assistance and close supervision of Magistrate Judge Netburn, an agreement in principle has been reached to settle this action on a class-wide basis, with an agreement as to the relief to be afforded to the class, subject to the parties negotiating attorneys' fees and certain additional provisions. As is typical in these cases, the parties negotiated the relief to be afforded to the class first with an understanding that attorneys' fees would be negotiated separately.

The parties would therefore request that the status conference, presently scheduled for Friday, June 2, 2017, be adjourned approximately 30 days to allow the parties to complete their negotiations, finalize the settlement, and file a joint motion for preliminary approval. Counsel for Defendant is on trial the weeks of July 3 and July 10, so the parties respectfully request that the conference be continued until the week of July 17 or later.

Respectfully submitted,
