I am going to talk about my favorite things in shaklee. One of the is Vivix. I love vivex! Vivex is a cellular anti aging tonic. Taste like yummy grape juice smells delicious.

Vivex ingredients have been shown to impact the 4 key mechanism of cellular aging. A 30 day supply of vivex delivers the equivalent amount of resveratrol found in 3,000 glasses of red wine.

Vivex is 30x more powerful than resveratrol alone.

Vivex impacts diabetes,osteoporosis, dementia, tremors,brown spots, age spots, hair loss,Alzheimer's, heart disease,cancer, high LDL and cholesterol, focusing,Healing arthritis, energy, pain, stiffness, inflammation.b

**Sheri Tabor** How does Vivix impact it ? What is resveratrol ?

October 21, 2015 at 11:30pm

**Darah J Velesbir** Resveratrol is what you find in red wine it's an anti aging but combined with DivX with the muscadine grape is 30 times more powerful than resveratrol alone it heals all damaged cells
