"I used to suffer from asthma and had to endure breathing difficulty everytime it attacked. I was thirty years old when it started having it but I only use antihistamines for it."

"Since I started using Alfa PXP Plus (1 sachet a day) and Perfect Coffee (once a day) I felt the positive difference! In just a week, I started to get better sleep as nothing disturbs my restful evenings. Before, I suffered from shortness of breath even when I walk only a few meters. Now my asthma's gone!"

"I have also tried Alfa HFI with my 10-year old son when he finds cough and frequently wheezed. It's what we also at home everytime we get sick from viral infection. Thank you Enzacta!"
