Healthy Living with Gwen
April 28, 2015

I wondered why PROBIOTICS were in the Shaklee protocol for ADD/ADHD that has worked so well for my child..... Ah-ha! [http://www.drperlmutter.com/probiotic-prevents-adhd-autism/...](http://www.drperlmutter.com/probiotic-prevents-adhd-autism/)

Probiotic Prevents ADHD and Autism

Probiotic supplementation early in life may reduce the risk of neuropsychiatric disorder development later in childhood, such as Autism and ADHD.
