

A Truebalance with Lesley Huff

Love this testimony but it is even more special as i was able to spend some time with this beautiful lady last week as she was also one of the lean and healthy competition winners

.I just shared my story and I'd love to have anyone/everyone share theirs as well! My miracle has inspired me to spread the word LOUD that Shaklee saves (and creates;) lives!!

"Last January after finding out I had cervical cancer and having more than 80% of my cervix removed, I was told having a baby would be VERY DIFFICULT. I hopefully continued my SHAKLEE products (vivix, protein, and vitamins daily) and was told at my 6 month check up that my cervix had also it completely rebuilt itself! The doctors were beside themselves. Less than nine months from my surgery and horrific prognosis and I am happily and healthily pregnant! I absolutely mean it when I say Shaklee changes lives. I'm just one of millions who've experienced the miracle of Shaklee. I'd say mine is the best though - I get my own lil pumpkin!!" — with **Jake McDonald** and **Ashley Nichole McDonald**.

Just so touched and amazed by this Shaklee testimony. A beautiful young woman, diagnosed with cervical cancer, introduced to Shaklee and now healthy and with a new baby! Shaklee changes lives!!
