Salvatore Marsiano Well, if the AMA allows it, that would be great. A lot of you folks know I am researching a lot of stuff. It started with UFO's, ET intervention, origin of the Bible. That branched out to corruption in ( you name it ). In 1 of the books, author said the decision to "not find a cure for cancer" was made in 1942. They knew the donations would keep coming in. I think the latest estimate is \$ 1.6 billion a year.
