Resveratrol dlm Vivix!
Healing Cancer Naturally 🍷

Resveratrol

There is an MLM company called Shaklee. Their researchers have found a way to multiply the effects of a nutritional supplement called **resveratrol**. **Resveratrol** is a natural antioxidant found in red wine and red grape skins. It is known to protect against a host of diseases including Parkinson's and other dementias, heart disease, and of course, **CANCER** as well as having a roles in life extension. It works by entering into the cells of the body and selectively switching on genes that aid in the survival of the organism and switches off genes involved in the initiation and progression of disease. This blocks the replication of bacteria, viruses, fungi, and tumor cells. **Resveratrol** also repairs alcohol damaged livers, slows bone loss, boosts endurance, promotes hair growth, and re-energizes cells. Sound like something you may need? Your liver does not have to be damaged by alcohol for it to be in need of repair as I mentioned earlier. The liver is so **important** in healing cancer. Shaklee's researchers have developed a product for their company called Vivex. Vivex is 10 times more potent than the **Resveratrol** you may buy from another company or health food store. So take everything I just wrote about **Resveratrol** above and multiply those benefits by a factor of 10. I highly recommend the use of Vivex in helping your body rid itself of cancer. You can read more and order Vivex at www.ourgreenearthproducts.com. There are over a hundred scientific studies at www.pubmed.com. Go there and put your type of cancer and **resveratrol** in the search and you can read if there has been a study. Most of the language is in scientific lingo. Many doctors don't understand a lot of it, but you can get a gist of the results by reading the last sentence or two of the abstract.

Cari pasal Resveratrol, tiba2 jumpa buku tajuk HEALING CANCER NATURALLY

Bagaimana Resveratrol dalam Vivix bertindak?

Juga diterangkan dalam buku ni. Cumanya dia ni salah eja Vivix lor...dh jadi Vivex..hahahaha

Reveratrol bertindak dengan cara masuk ke dalam sel, pilih gen-gen yang membantu utk badan jadi sihat serta mematikan gen-gen yang terlibat dalam pembentukan penyakit

Yang pasti buku ni bukan buku keluaran Shaklee

#iloveVivix
