Deanna Falchook

March 29 ·

Adults need anywhere from 7-13 cups of produce daily to get all the health benefits of fruits and vegetables - including possible protection against obesity, heart disease, type 2 diabetes, and cancer. Here's a convenient way to make sure you're getting your super greens into your daily diet. #healthyliving #supergreens #healthyandprosperousforeverfamilies

Isagenix Greens: Complement Your Nutrition

Your green light to good health. Isagenix Greens provides a convenient way to get supergreens into your daily diet and fortify your health with the power...
