During my layover in Taipei I noticed a guy in the lounge with a bag full of Isagenix goodies like I have in my carry on...he is a stage 4 cancer survivor so particular about his nutrition, he has been using it less than 30 days, brought it on his travels to Indonesia and said he feels great, more energetic and clean! So awesome, these products are the best. Thank you Isagenix for making daily life so convenient to be healthy!
