Received a very heartwarming message from one of our partners in the business whose wife, was diagnosed with Stage 2 Colon Cancer. Tita Cynthia chose to go alternative and started taking #JuleoftheOrient and #Gochi just last December. After having medical tests done a few days ago, results came back NEGATIVE! Nothing can compare to the feeling, knowing that we were used as a channel of blessing to be able to help those in need. God indeed is the ultimate Healer. We, together with the products are just merely vessels. To God be the glory! 🙏
