2009 Buick LaCrosse Car Cover

🕒 September 12, 2016 👤 Nerida Mora

★ Gold Shield 5L Hartford, CT

I had gone through many, less well designed car covers to protect my 2009 Buick LaCrosse but nothing proved to worked. All of the car covers I had bought in the past were cheaply manufactured and did not end up lasting very long. It was truly money thrown out the window. When I stumbled on the CarCover.com website, I just figured they offered yet another cheap car cover but to my surprise, their daily promotion was enticing and I took the risk and bought my Buick LaCrosse car cover from them.

2009 Buick LaCrosse Car Cover

🕒 September 11, 2016 👤 Wilson Grava

★ Gold Shield 5L Miami, FL

To my surprise, their Buick LaCrosse car cover was unlike any other cover I had purchased in the past that promised the ultimate protection and did not deliver. Their website was very user-friendly and allowed me to find the right cover for my 2009 Buick LaCrosse with their exact model search feature. When my cover arrived I was truly pleased with the excellent fit, solid construction and how it stood up to some pretty harsh weather in my area.

2009 Buick LaCrosse Car Cover

🕒 September 10, 2016 👤 Donald Mauldin

★ Gold Shield 5L 📍 Frisco, TX

I own an 2009 Buick LaCrosse that has a modified body kit and paint job. Last year, I had to move and only had the option of parking outside. This led to people scratching my Buick LaCrosse and getting dings on the front and back bumpers because people apparently don't know how to park anymore.

This past month, my wife offered me an awesome gift for my birthday, it was a cover from CarCover.com website. I was really surprised that she was able to find a cover made to fit perfectly on my 2009 Buick LaCrosse. I had shopped around in local car parts shops but really could not find anything worth buying. Now at night, I am able to quickly install my Buick LaCrosse car cover, secure it with the straps on the cover and I can sleep easy knowing that my Buick LaCrosse will be protected not only from all the weather elements but also other people walking alongside my 2009 Buick LaCrosse.

For those of you who don't have a stock car, I recommend CarCover.com products as they have made me one very happy customer. Just thought I would share my story.
