Isagenix - Physically Fit and Financially Free

August 19, 2014

"Well, I have been on Isagenix for only 14 days and I have lost 5lbs and I feel wonderful. I have been troubled with IBS most of my life. The doctors would give me meds and nothing ever worked. Just made me feel worse. But with Isagenix WOW! I have no more problem with IBS, I go regularly and I am not bloated anymore. I literally want to go for walks and if I don't I get mad. Love it Love it. Thanks Denise Malario for introducing me to this live changing event."
