There are so many reasons why i Love Melaleuca. I Love the products. They are absolutely amazing. melapower is a fantastic laundry soap. It gets stains out of clothes that i never thought would ever come out. Pre-spot helps with HORRIBLE stains, including red kool-aid! and my all time favorite, My 11 year old son was able to get off his ADHD medications permanently and he know takes provex plus!!!! he can concentrate and focus 😊
