

Diagnosed with Stage 2 Breast Cancer

she decided not to undergo chemotherapy because she didn't want her children to know about her health condition.

Taking LIFESTYLES products she was declared cancer free in two months.

Lifestyles, Intra, Nutria and Fibrelife

Not all chemotherapy works.. That's why having an alternative medication like taking Intra is important. Intra helps the prevention of Cancer, in some cases Intra helps in curing and repairing Cancer Cells. Without Chemotherapy they are all declared cancer free.
