

"Oligo!"

Denise & Robert Svetich | LOVELAND, CO

"Since I started taking the Vitality for Women I have had to have my thyroid medication lowered 3 times! I don't know if this has anything to do with it or not but I BELIEVE that with the Oligo technology - quite possibly my body is getting what it actually needs!!!!!!!!!!!! YIPEE! :) Thank you Melaleuca! "

"Lots of Energy"

"Almost 60 Days, feeling Great!"

Camilla Edwards | CAPITOL HEIGHTS, MD

"I began using the Vitality Pak in mid July 2014. I am a supervisor of a "24 hour" Department. Prior to using the vitamins, I drank coffee or energy drinks to try to stay alert during double shifts or coming in at night to cover call outs. I am now a believer of Oligo and the Vitality packs, because I am more alert and no longer feeling tired, drowsy after eating, even more alert when employees call me in the middle of the night. I have more energy. Often times after working a 12 hour shift, I can come home and still work out. Love them, love them, love them!!! I can't wait to turn 50 to use the 50+ for Women!! "
