Chronic inflammation is a widespread problem in our society, and if left unaddressed can cause numerous deleterious effects that go far beyond arthritis. Alzheimer's, dementia, heart disease and cancer are just a few of potentially dangerous results. Fortunately, Nature's Sunshine's anti-inflammatory and antioxidant formula, IF Relief, is designed to specifically help the body deal with chronic inflammation. Read more about this great combination in today's article!

IF Relief

More and more scientific data is emerging showing that chronic inflammation is an underlying factor in the development of many chronic and degenerative diseases. IF Relief contains ingredients that help reduce swelling and inflammation and promote tissue healing. This helps reduce pain and may help...
